

## Biography

### Martha V. Daniel, Chief Executive Officer and President

Ms. Daniel is the CEO and President of Information Management Resources, Inc. (IMRI). IMRI is a privately held technology systems and engineering company delivering comprehensive enterprise solutions including products and services that IT infrastructures and systems. For over 14 years, IMRI has successfully provided over \$62 million in consulting services primarily to federal, state and municipal governments in the areas of program management, systems engineering and integration, information assurance, telecommunication engineering, and enterprise technology services.

Prior to IMRI, Ms. Daniel's 15 years corporate career spanned from mainframe programming to Chief Information Officer working for such companies as Aerojet General, Bekins Transportation, ARCO, IBM and FDIC. In 1992, Ms. Daniel founded IMRI to provide technical and operation support for the Resolution Trust Corporation's (RTC) legal litigation teams. Her leadership, perseverance and vision expanded IMRI into a systems integration company during the Year 2000 crisis. She co-authored a book entitled, "*On the Otherside of Midnight 2000, An Executive Guide to the Year 2000 Problem*".

Ms. Daniel continues to develop and strengthen IMRI's core systems integration expertise. Over the years, IMRI has been recognized from coast to coast for its outstanding contracts performances. IMRI has helped many of the nation's fortune 1000 corporations and federal agencies implement technical solutions. The company's client list includes the Department of Defense (DOD), Defense Information Systems Agency (DISA), Southern California Edison Company, Deloitte Consulting, EDS, IBM, ARCO, Pacific Gas & Electric, International Paper, City of Memphis, City of Los Angeles, Metropolitan Water District, State of California and many more.

Ms. Daniel, a Veteran with the United States Navy, graduated with honors earning her BS degree in Information Systems from California State Polytechnic University and her Master's in Business Administration from the University of La Verne.
