

## SARA PENTZ

Professional journalist Sara Pentz has been a television news reporter/anchor and a radio host.

She has written news and feature articles for newspapers, magazines and trade publications; and has been on the staff of national and regional magazines as an Editor, Associate Editor and Photo Editor.

A public speaker, Sara has also taught marketing and public relations to business owners, and media and communications master classes to university students. She has trained business executives in crisis management, and has developed image and presentation skill courses for corporate managers. She has written public relations and marketing plans, created advertising and promotional copy, and developed newsletter, flyer, direct marketing, email broadcast and brochure concepts and copy.
