FOR IMMEDIATE RELEASE

ASSOCIATION FOR WOMEN IN TECHNOLOGY TO HOLD Drinks & Links Event

WHAT: The Association for Women in Technology is holding a networking event

**There are dividends through
the Power of Networking!**

There are many professional networking options and the only way to get to know people is to get out there and meet them.

What better way to engage in business and networking than to participate in AWT's Drinks & Links!

Networking is not about accumulating business cards, but yet in doing something with them. And what you do with those cards – how you continue your relationship with people you meet – dictates what those people begin to think of you.

Drinks & Links provides opportunities to:

- Expand your professional and personal contacts
- Gain visibility for your company
- Meet new clients and friends
- Build your brand with your network

WHO: The Association for Women in Technology is the only non-profit women's technology organization in Southern California dedicated to the advancement of women and girls in all fields of technology. As a dynamic forum for networking and learning opportunities, AWT hosts a variety of activities and events including our Quarterly Women's Technology Leadership Forums, Mentorship Program, Girl Education Program, and Scholarship Program. AWT is a 501 C (6) organization and AWT-CF (charitable foundation) is a 501 C (3) organization. To learn more about AWT and AWT-CF.

To learn more about AWT, please visit its Website at www.awtsocal.org.
